# Mencap Funday

The HABS Mencap Funday is an annual event, organized by the Haberdashers' Aske's Boys' and Girls' Schools, and supported by Mencap Barnet. It is held at The Haberdasher's Boys' School where children with learning disabilities aged between 5 and 19 years are invited to the school and are looked after by pupil volunteers from the Boys' and Girls' Schools.

On the Funday, two or three pupils will be paired up with a child who they will be responsible for, and accompany them, throughout the day. This involves taking them to different activities, participating as well as chatting with them and ensuring that they have a good time.

Ultimately, HABS Mencap Funday is an opportunity for the pupils and children to have fun together participating in various activities and it really is a day to remember!
