

Bank Holiday pharmacy opening hours in London Early May and Spring Bank Holidays 2020 – 08.05.20 and 25.05.20

Bank Holidays can affect the opening hours of local pharmacies. This document provides you with the opening hours for the pharmacies that have been commissioned by NHS England & NHS Improvement to be open as part of a pharmacy bank holiday rota.

Details

NHS England and NHS Improvement (NHSEI) are responsible for ensuring there is adequate provision of pharmaceutical services during the bank holidays. NHSEI has put in place arrangements for a number of pharmacies to be open on Friday 8th May 2020 and Monday 25th May 2020 for longer hours.

There will also be a large number of pharmacies opening on the bank holidays at varying times which are not included in this list as they are not part of the agreed pharmacy bank holiday rotas. These pharmacies will be responsible for updating their information on NHS.UK, therefore you can still check on NHS.UK to see if there is a pharmacy open nearer to you which may not be on the list below. The NHS.UK website can be visited on www.nhs.uk
