Dear Parents and Carers,

Re: Update on Speech and Language Therapy in Northway school

Following my letter sent to you on 8th September, Luci Austin, Speech and Language Therapist (SLT) has had to take unexpected leave for the rest of the term.

Puja Fulman will return to working at Northway towards the end of October and will take over Luci's classes then. I am also looking for SLT locum cover and I have been in contact with the relevant locum agencies.

Alanna Gilmore, SLT has now started working in our service and following her induction will be working at Northway one day per week.

I am sorry that there will be a delay in some children receiving support from a speech and language therapist. If you have any questions or concerns about therapy provision in special schools, you can contact me on claireturner3@nhs.net.

Yours Sincerely,

Claire Turner, Clinical Team Lead – Complex specific and dysphagia pathway
